REMARKS

This application entered the U.S. National Stage on the basis of the IPER claims set (30 claims), not the original PCT claims (35 claims). After this amendment, claims 1-27 and 30 remain in this case. The amendments to the claims are being made to eliminate all multiple dependencies, so as to reduce the filing fee, and to place the case in better condition for examination. Please enter this amendment prior to calculation of the filing fee.

Prompt consideration on the merits and allowance are earnestly solicited.

Respectfully submitted,
